

How to Use Hoopla for free digital movies, music, e-Books and more!

To access digital videos, music or audiobooks on your computer:

Visit the www.peclibrary.org homepage, scroll halfway down and click 'Go to Hoopla'

- 1) Click 'Log In' at the top of the screen. Follow the prompts if you are a current user to enter your email address and password. If you are new to Hoopla, click 'Sign Up Now', choose 'County of Prince Edward Library' and create an account.
- 2) Using the search bar at the top of the page type, enter your preferred titles or scroll down the homepage to browse different options for movies, music, audiobooks etc.
- 3) When you have found an item you wish you borrow, click the image of the item and then click 'Borrow'. An alert message will pop up at the top of your screen "The title is now available under My Titles" and will state the date it is available from.

Please note you may only borrow 5 items per month on Hoopla under your library account
