# How to Learn New Languages with Mango Languages

To create an account on Mango:

Visit the **www.peclibrary.org** website and click the "Find Stuff" drop down menu. Click 'Online Resources' and then 'Mango Languages' at the bottom of the list.

1) You will be redirected to the homepage for Mango Languages in association with our library.
2) If you are a current account holder enter your username and password and press 'Log In'. If you are new to Mango Languages, under the 'Log In' button click "Don't have a profile? **Create one**!" Fill in your name, email, and password, and click 'Sign Up'.
3) Choose the language you wish to learn, and begin!

Tips for Using Mango:

- You will Need:
  - ✓ Your device (laptop, computer or tablet)
  - ✓ Speakers or headphones
  - ✓ A microphone
- You can take a placement test before beginning a language to determine your knowledge level
- Each language provides some information about the culture and history of each language
- There are different levels and styles of lessons for most languages (e.g. conversational, legal, medical, etc.)
- Lessons feature spoken word, written word, and may ask you to speak
