

# How to Learn New Languages with Mango Languages

To create an account on Mango:

Visit the [www.peclibrary.org](http://www.peclibrary.org) website and click the “Collections” drop down menu. Click ‘Online Resources’ at the bottom of the list.

- 1) Click on ‘Language’ and below click the image for Mango Languages.
- 2) If you are a current account holder enter your username and password and press ‘Log In’. If you are new to Mango Languages, under the ‘Log In’ button click “Don’t have a profile? **Create one!**” Fill in your name, email, and password, and click ‘Sign Up’. Note: if you are connecting from within a Prince Edward County Public Library Branch, you will not need your Library Card number. If you are connecting from elsewhere, you will need it to sign up.
- 3) Choose the language you wish to learn, and begin!

## Tips for Using Mango:

- You will Need:
  - ✓ Your device (laptop, computer or tablet)
  - ✓ Speakers or headphones
  - ✓ A microphone
- You can take a placement test before beginning a language to determine your knowledge level
- Each language provides some information about the culture and history of each language
- There are different levels and styles of lessons for most languages (e.g. conversational, legal, medical, etc.)
- Lessons feature spoken word, written word, and may ask you to speak
